

Meno Pro Trimless

The Meno downlight by Cini&Nils reveals elegance and versatility with a minimalist design, perfect for installation in false ceilings. In addition to the normal recessed version, there is a trimless version that allows flush mounting and thus the almost total disappearance of the spotlight itself. Available in Pro, Spot and Wallwasher versions, Meno offers fixed, adjustable or asymmetrical light, ideal for creating atmosphere and illuminating a variety of environments. A choice of finishes is available, including black, white, silver and gold.

luminaire		emission	
materials	aluminium, polycarbonate	source	led
